General Information Please Read Carefully

- A detailed agenda will be available online at www.ncsta.net after January 1st and you will receive an agenda when you arrive at the convention. The detailed agenda will list credit hours available for each class.
- There will be a tracking sheet in the detailed agenda for you to use to assure you get all the credit hours you need for each certification and/or permit you hold.
- Each attendee will need to sign in at check in. You will receive a class tracking card at check in. For each class attended, your card will be marked. **YOU MUST BE IN THE CLASSROOM** to get the card marked. At the end of the day you will turn in the attendance card to receive your certificate for the day.
- Attendance certificates for credit hours will be issued after you have completed the required hours. These certificates **must** be picked up in the exhibit hall before you leave the center **DUPLICATES AT A LATER DATE ARE NOT AVAILABLE.**
- **Special note to Installers and Inspectors:** The person holding the certification from NCOWCICB must be the person taking the credit hours
